## **THE GOSPEL ACCORDING TO GEHAZI**

---

---

- **Those with nothing to lose are those who find God's riches.**
- **What was perceived as the enemy was in fact God's deliverance.**
- **What was perceived as a great army was in fact four lepers.**
- **Mockers of truth will not enjoy its fruit.**
- **Lepers are the messengers of salvation.**
- **Fear makes us prisoners. Truth sets us free.**
- **The role of lepers is more important than that of kings.**
- **Deliverance comes at the last possible moment.**
- **Where sin abounds, grace superabounds.**
