
JERICOHO – STRONGHOLDS OF THE SOUL

- We surround it. We isolate it. We starve it. (Perspective)
- We are patient, though we may see no progress.
- We do not attack its walls. (God's responsibility)
- We are silent as we anticipate its fall.
- The shofar is God's weapon. (II Cor. 10:3-4)
- When the walls come down, victory is easy.
- Trust in the unseen work of God. (Remember the hornet.)
- Look for the redeemable. (Remember Rahab.)
- Give God the glory. (Remember Achan.)
- Do not rebuild Jericho.
