## ***TZARAAT – SYMPTOM OF A DISEASED SOUL***

---

***“Tzarrat is not a physical illness requiring the attention of an ordinary doctor. Rather, it is a disease of the soul.”***

∞ R' Sorotzkin

### ***Tzaraat:***

- **Is humiliating**
- **Breaks fellowship with the pure**
- **Has no human cure**
- **Has no prescribed treatment**
- **Is visible to all**
- **Affects everyone it contacts**
- **Nullifies accomplishments**
- **Is a gift!**
