

THE GREAT DILEMMA

- (3:1-2) The Torah gives us Jews a tremendous advantage,...
- (3:9) ...yet we are not much better off than the Gentiles...
- (3:19) ...because the Torah silences us and makes the whole world subject to God's judgment.
- (3:20) And even if we keep the Torah, it will not justify us. It only reveals our sin all the more.
